Service Bulletin No. SB-042/09.04.01

NSM-2

CE APPROVAL NUMBER AND IMEI CHANGES

The current TTE Type Approval directive will be replaced by the new R&TTE directive in the beginning of April 2001. This means:

- CE approval mark and type labels will be changed to all models in production after 08.04.2001.
- New TAC and IMEI codes

New type labels will be included in next PCX -file version for type label printing.

- 1) New type label: CE168 : CC 35:

NOKIA MOBILE PHONES LTD.
Type: NSM-2 NX Model: 8850
MADE BY NOKIA

CE 168

Note: New type labels are not allowed to use with old IMEI blocks and CC:49 / CC:44

- 2) Old type label: CE0168X: CC 44:

NOKIA MOBILE PHONES LTD.
Type: NSM-2 NX Model: 8850
MADE BY NOKIA

CE 0168 X

Note: Old type labels are not allowed to use with new IMEI blocks and CC:35

This change affects all NSM-2* (product codes 0502573, 0502939, 0502940, 0503072, 0503093, 0503094, 0503095, 0503096, 0503097, 0503098, 0503525, 0503526, 0503527, 0503528, 0503529, 0503530, 0503612, 0503798, 0505836, 0505837, 0505838, 0505839, 0505840) in production on 08.04.2001 and after.
